From last 20 years, I have been involved in analyzing businesses, companies and assisting in key management decisions in constantly evolving ecosystem. I have assumed very diverse roles, from being corporate treasurer, managing funds for family offices to creating valuations for startups/SMEs/PSUs/Fortune 500 companies for diverse objectives. Because of our holistic approach & rich background, we bring lot of value across asset class for clients.

I have been visiting faculty on Securities & financial Assets for ICAI RVO for 50 hour training sessions and Continuing professional development programmes. Also have been instrumental in providing regular workshops on valuations on behalf of IBBI.

We have been recognized as preferred partners with many leading Institutions and IPEs wherein we bring our techno commercial expertise and collaborate for astute execution across INDIA within stipulated timelines for IBC. We have been valuing companies in their entire life span i.e. from Startup to Liquidation.

With our multidisciplinary expertise accentuated by our honored board of advisors, across various industry segments, we have brought clarity to difficult and complex valuation situations and to provide defensible reports to more than **300+** IBC cases.
